Commander Corner

Happy New Year to You and Your Loved Ones!

As 2021 draws to a close, I would like to personally thank our membership and every person who keeps our Post vibrant and healthy. We need each other to keep our Mission strong.

For many members, 2021 brought sadness and loss, illness, or unexpected change (some bad, some good). You've persevered and I hope you can say your Post 356 members walked alongside you and shared both your trials and triumphs. Remember, memories that you can look back on and smile and laugh about can sometimes be built upon to keep you going forward.

There is strength in numbers: Post 356 is a key unit that will make The American Legion a success today and in the future! We may only represent approximately 1,000 of the 2,000,000 members; however, the Douglas A Munro Post 356 Family demonstrates every day the dedication and commitment we have to our Active-Duty Service Members as well as Veterans who defended the American way of life in the past.

Two Easy Ways to Benefit Post 356 and TAL National Efforts in 2022

For the Post to be successful, we have to make it a "friendly and safe" place to visit and be involved in. We're all different—that's what makes us GREAT!

1. **Please be Kind and Understanding of one another.** Getting along and tolerating those who have a different style or viewpoint brings in new members and keeps us here.
2. **Always be Respectful** in light of our differences. The best way to understand someone is to get to know them better. Find common ground, or at least one positive thing they do, to work together.

Let's remember why we exist. We are The American Legion - our building is more than a canteen or social club.

The American Legion fights every day on Capitol Hill to ensure that our troops not only get the equipment and training they need to fulfill their duties, but also to ensure they are treated properly and receive the benefits they deserve upon returning home. Veterans, as prior service members, you reap the benefits of our National organization's efforts.

NOTICE! Post Entry Key Cards are Changing on 1 January

REMINDER: The door cards are changing on New Year's Day and members won't be issued a new door pass until "2022" Post dues are paid.

If you haven't renewed in 2022, you can bring a check or cash into the Post (along with your green 2021 door card) and the barkeep or another authorized member will gladly assist you.

We're making every effort to reduce costs to keep our Post going, and need your help to keep your Post financially healthy!

- 1. A different entry color is issued each year to allow paid-up members automatically gain entry into the building.**
 - We ask our members to turn in the past year's card so that we can reuse them in the future.
 - However, for various reason we're not getting them back. Sadly, we know for a fact that some people keep 2 or 3 previous years' cards in their wallet and refuse to turn them in so they have them for the future.
 - Hoarding a card is taking money from your Post. Please be honest and show your commitment to the Post and our finances.
 - **To avoid paying thousands of dollars each year to change card colors** to one we haven't used in the past, our options are to (1) unlock the door and allow anyone to enter the building, including non-members, or (2) pay someone to monitor who's coming in and check every membership card. We don't want to enforce either of these choices!
- 2. Each door card costs the Post \$1.** Multiply that by approximately 1,000 joint members (each year) and the expense adds up very quickly.
 - Consequently, the Post can only afford to purchase a few different colors and alternate them.
 - Some people ask for 3-5 replacements each year; however, we don't charge them the \$1 replacement cost.
- 3. Some Veteran clubs charge their members \$1 for their initial or annual card, then another \$1 every time they need a replacement. We're trying to avoid doing that!**
 - Turn in past years' cards so that we can reuse them in the future and save the Post money.
 - Guard your card!

Let's work together to keep Post costs down, please.

Free entrance to National Parks, Refuges, and Other Public Lands

Entrance fees for the National Park Service and the U.S. Fish and Wildlife Service and standard amenity recreation fees for the Bureau of Land Management, Bureau of Reclamation, U.S. Forest Service and U.S. Army Corps of Engineers sites **are waived for current Military Service-members and their dependents, Veterans and Gold Star Families.**

They now have free access to approximately 2,000 public locations spread out across more than 400 million acres of public lands, which host activities to fit any lifestyle, from serene to high octane, including hiking, fishing, paddling, biking, hunting, stargazing, camping, and much more.

Volunteer Opportunities

Together we can successfully build a “home” Post for Veterans and their families AND make a difference in our community.

FROM THE COMMANDER to Post 356 Legion Veterans

The American Legion was chartered by Congress in 1919 — 102 years ago — to focus on Veterans, service members, and communities. The Auxiliary and Sons exist to honor the service and sacrifice of Legionnaires, and volunteer their time and energy because of your service!

Halfway through my 2021-2022 tenure as Post Commander, I’ve reflected on the many changes and new endeavors our Legion Board has made that have a positive impact on our Post. However, in the next six months, there’s more we must do to “grow” our membership, achieve more results, and meld our organization as a Family.

I hear a lot about the Past: “We used to have more volunteers than we needed.” “We were the #1 Post years ago.” “The canteen was standing room only.” “We used to do this or that (fill in the blank).”

The comments aren’t directed at me, or past Commanders, or any one person in particular. Sadly, they’re only a reflection of many **Veteran** members losing interest in “doing” things and younger Veterans who don’t embrace the long-lasting and life-changing value the American Legion provides to Veterans, active duty, and their families, today and in the future.

Some say: “Past results are a good indicator of the future.” Frankly, I don’t personally always see that today. Partly because of covid restrictions. More importantly, because many of our Post 356 Veterans who were extremely involved in past years have aged beyond the point of being able to physically get out, or now serve in Post Everlasting.

Sadly, at most Legion Posts, it’s the other Family organizations – NOT the Legionnaires – who do most of the work. Douglas A Munro Post 356 could be the “exception” and have our **Veteran members** show that we are grateful for the American Legion’s legislative actions and programs to enhance the well-being of our Veterans and active military, our Post, our Programs, our ALA and SAL, by continuing to serve our Country and our Military community.

Bottom line: We can’t live in the Past to manage Post 356! The majority of our Legion Board members and volunteers are Vietnam era veterans and most of us are between 70 and 80. We’ve done it for years. Yes, we are slowing down a little, and some days, we feel like we shouldn’t have to do it anymore.

- ❖ Yet, despite our aches and pains, personal loss, and chronic illnesses we show up and continue to serve our Country, The American Legion, our District, our Post, and You.
- ❖ Why? Because we want to keep the American Legion and Post 356 alive and growing. We’re doing it for YOUR future!

Younger-than-Vietnam-War-Era Veterans...

If you love Post 356 and want to keep it as your Legion “home,” **we need YOU to get involved and step UP and step IN.**

“More Volunteer Opportunities” shows how we can all play together AND work together for the future of our Post and Family!

More Volunteer Opportunities

VETERANS: Please contact Commander Lechene personally for more information as to how you can be involved.

- Adjutant** – The Post **MUST** have an Adjutant to handle Membership and be the Personnel Officer/Contact for our Post.
 - ❖ This is **one of the most important roles** at a Post and requires a Veteran who is capable of properly handling paperwork, taking and creating Meeting Minutes, multi-tasking, and being a “Leader.”
 - ❖ The Commander will personally train a willing and able Veteran to serve in this critical, yet rewarding, role. We need a Veteran member to step in today!
- Historian** – In addition to Adjutant duties, the Commander is also handling the creation and distribution of the monthly Newsletter and Calendar, creating Upcoming Events, updating/monitoring our Facebook page, **and** managing our Legion email account.
 - ❖ She **NEEDS** a Veteran who has some technology capability to at least “assist” and reduce her workload.
 - ❖ If you find value in these projects, want them to continue, and understand their importance and value to our Post, our members, and our community ... please volunteer!
- Monthly Dinners: 2 or 3 Veteran leaders CANNOT be responsible for Legion-sponsored meals 5-8 times each month!**
 - ❖ **Starting in February, Legion-sponsored meals will NOT be offered on the nights we don't have a Legionnaire willing to be the “leader” of one of these dinners each month.**
 - ❖ **VETERANS:** Choose a night and be responsible for a “team” to plan, shop, prepare, serve, and clean-up that night.
 - **2nd Wednesday & 4th Wednesday:** Jimbo Foster and John Atkinson have kindly agreed to handle these meals. THANK YOU!!!!!! However, when they can't do it, we need alternates to step in.
 - **2nd Friday – need a Veteran leader**
 - **2nd Saturday Steak Night – need a Veteran “leader”** to replace Greg Simpson as the coordinator.
 - **4th Friday:** Charlotte Lechene will be the team leader.
 - **When they occur: 5th Wednesday, 5th Friday, or 5th Saturday – need a Veteran leader for each meal.**
 - ❖ **REMINDER: No Legion volunteer leader = No Legion-sponsored meal that night.**

ALL POST FAMILY MEMBERS

- Hee Haw Hootenay 29 January 2022** - This **costume** fundraiser will raise money for our Boy's State and Children & Youth program(s).

The Commander has secured \$1,500 from corporate sponsors (TECO and Gulf Power); however, we need **Family members** to assist with the following components. Let's share the work and reap the benefits for our Post and Children & Youth (C&Y)!

- ❖ **Gather Auction items - Need items to auction off.** The more money we earn, the more we can do for our C&Y.
- ❖ **Dinner:** Charlotte Lechene will be the team lead for dinner. However, we **need additional help** - cooks, servers, and clean-up. Let's put a team together and let's make it a HUGE success!
- ❖ **Decorations** – Paul and Rich Clampitt will be the team leads. See one of them if you want to help.
- ❖ **Get the word out!** We've created **flyers to disseminate** to other Legion, VFW, and AmVet Posts as well as the community. Contact Charlotte Lechene if you want a flyer to share.

- Healing Paws** – Healing Paws is a non-profit organization that provides FREE service dogs and training to disabled Veterans. The Commander would like to put together a Committee to “initially discuss” the possibility of organizing an event to raise funds in Spring 2022 to determine if (1) it's of value, and (2) can we, or should we, look into it.
 - ❖ We may have an opportunity do something GREAT for our Veterans who desperately need service dogs.
 - ❖ **Each dog costs approximately \$8-15 thousand!** The more money they raise, the more Veterans get a dog & training.
 - ❖ **If you are canine-lover and want to help disabled Veterans...this may be a project that makes a difference in your life and in others!** Contact Charlotte Lechene if you're interested in starting a discussion. #

Legion Committees - Programs

Legion Membership: Legion membership renewal is at **78.37% as of 23 December.**

- ❖ 78% is much better than many Posts, so thanks very much, Legionnaires.
- ❖ We may have missed the goal of 100% by Veterans Day; however, we are deeply grateful for all of you who renewed early.

Let's set a NEW goal for our Post: It would be FANTASTIC if we could reach 100% by March 1st!

- ❖ Let's make our State and Post strong!
- ❖ Legionnaire members: please encourage one another to renew ASAP, and don't forget to ask your Veteran friends and eligible Legion Family members to join our Post.

Need help or have questions? Contact Charlotte Lechene personally at (678) 617-9372.

House Committee

- ❖ **Canteen Prices:** Most of our Legion Family members have noted that bar prices on many alcoholic drinks were increased on 15 December 2021. It was a necessity and glad to say the messenger has not been shot (YET)!
- ❖ **Recommendations / Comments / Complaints:** We fully understand with two old Marines on the current Committee that communications with us can be difficult if not darn near impossible.
 - If you have recommendations /comments for the Committee don't forget the Suggestion Box.
 - The Suggestion Box is reviewed by the Executive Board just prior to our monthly Legion General Meeting. All signed and dated suggestions are discussed and assigned appropriate actions.
 - The name of the Legion Family Member that submitted the suggestion is **never** disclosed.

The American Legion

The Preamble to the American Legion Constitution

Recited at all Legion Meeting openings, do you know what the Preamble means?

Though brief, each clause has a world of meaning. For the next 10 months, we'll provide Post Members the meaning to a Preamble clause.

1. For God and Country, We associate ourselves together for the following purposes:
2. To uphold and defend the Constitution of the United States of America.
3. To maintain law and order; to foster and perpetuate a one hundred percent Americanism.
4. To preserve the memories and incidents of our associations in all wars.
5. To inculcate a sense of individual obligation to the community, state and nation.
6. **To combat the autocracy of both the classes and the masses.**
 - ❖ This clause places the Legionnaire on the side of right in opposing autocracy by either class or mass when this threatens.
 - ❖ In a democracy such as ours, composed as it is of all nationalities, races, creeds and economic groups, there are bound to both classes and masses.
 - ❖ Indeed, the masses are composed of classes — but all groups within the mass must feel assured that in this nation, reason and fairness will prevail in all human activities and relations.
 - ❖ There must be no hyphenated Americans — just Americans all.
7. To make right the master of might.
8. To promote peace and goodwill on earth.
9. To safe guard and transmit to posterity the principles of justice, freedom and democracy.
10. To consecrate and sanctify our comradeship by our devotion to mutual helpfulness.

Scouts

Pack 356, Troops 356 (Girls and Boys)

Submitted by: Katrina Hagler (Cub Master); Stephanie Brooks (Scout Master Girl Troop); Lewis Hagler (Scout Master Boy Troop)

This month has been a slower one for us as the holidays are fast approaching. We have been working on selling the Maple Syrup.

- ❖ We hope everyone enjoyed the Brats/Kielbasa last "Scout" meal. Chuck Rexroad's wife made the potato salad, Stephanie Brooks did the baked beans, and Katrina Hagler with several Cub Scouts made the Maple Syrup Cookies.
- ❖ We were able to decorate over 50 wooden ornaments to send to Encompass for those patients stuck in rehab over the holidays.

We did get good news that we will be able to go back to meeting at Deane Bozeman School after the first of the year! Meeting out of the weather will be huge for us!

Pack 321

Submitted by: Chuck Rexroad

In the month of December, Pack 321 hit the ground running. On December 4th, we participated in the Lynn Haven Christmas Parade where seven scouts participated along with their families, walking approximately 1.5 miles through the heart of Lynn Haven. At our 7 December committee meeting, we discussed our budget and financial status, as well as some other events coming up. One of the initiatives we have been undertaking is reducing the financial burden of scouting.

Looking through the previous budget, the committee was able to reduce the overall costs a few ways:

1. We contacted the Lynn Haven United Methodist Church, who is allowing us to store our items at the church. This will eliminate the \$550 dollar storage unit fee.
2. We are reducing the cost of our annual Blue and Gold dinner by eliminating the catering costs. The previous budget called for \$800 for catering costs, while the new budget calls for a potluck, with the meat being provided by the Pack. We estimate this will reduce the cost to \$200 or less.

On 18 December, the Pack participated in the Wreaths Across America service at Mt Hope cemetery in Lynn Haven. Over 200 wreaths were placed on the graves of veterans at the cemetery. Scouts learned of the sacrifices made by our veterans and made sure their names did not die.

The last event the Pack did this month was our Christmas Party on 21 December. We handed out awards and did announcements, and afterwards we held a "winter carnival" with 6 games and crafts. The scouts all seemed to have a great time!

In January, we are looking forward to a family campout on 21-23 January. More to come in January's update

American Legion Riders

Don Colbert, Director

December cooks-off were a great success. Thanks to everyone who participated in the cook-off. Had some great Chili and Casseroles. Thank those who stepped up and took lead on the Chili cook-off while I was out of town.

Also, like to thank those that came out and supported the Riders. January 1 the Riders will not be cooking that night, the Legion will be serving a lunch meal that day and the Sons are donating some hams.

The Riders had two raffles last month, Missy Gore was the winner of the Taurus 9mm and Pam Kay was the winner of the Indian electric Mini bike. Again, like to thank Keith Glore owner of All About Garage Doors for the donating the electric mini bike to the Riders.
